

Terms and Conditions:

An assumption is made that your DB is currently compliant with regulations and all the wiring complies, if corrective action is required then a separate quote will be issued. The inverter does not work if the wiring is non-compliant like mixed neutrals and mixed circuits.

- Please Note: The quote is valid for 14 days from the date of the quotation.
- 100% payment is required to book installation.
- RECSolar will not be responsible for any warranty claims on hardware purchased by the client directly.
- Uninstalling and reinstalling such hardware will be at the client's cost.
- Inverter Monitoring Apps are 3rd Party Apps, and we cannot control their functionalities.
 - 2,4ghz internet frequency is required and the signal should reach the installation site for the monitoring app to work.
- Limited warranty of 6 months on all 24V Systems.
- 12 months warranty on other goods.
- Installation in 4-7 working days, after payment confirmation.
- 1st month zero callout fee on faults related to the newly installed system.
 - Should the fault not be related to the newly installed system, a callout fee will apply.
 - A callout fee will apply for Monitoring App-related updates/services.
 - For Installations without remote Wi-Fi monitoring, a callout fee will be charged on all callouts, i.e. from the 1st month.
 - After 1 month a call-out fee of R750 excl VAT will apply.
- 36 months workmanship warranty/Aftersales support.

****Based on stock availability. The equipment provided will be of similar quality, grade, and functionality and carry the same warranty.**

RECSolar Workmanship Warranty

RECSolar offers a limited installation services warranty for any defects in the work carried out by our Technicians.

Workmanship Warranty

This warranty applies to the residential customer named in the RECSolar System installation certificate as from July 2014. Where the installation premises has been transferred, RECSolar will transfer this workmanship warranty to the new owner of the premises for the balance of the warranty period on the same terms.

Scope of this Workmanship Warranty

The workmanship warranty covers any defects that arise from the workmanship in installing your solar panels, solar inverter and battery at the premises specified in the solar system installation certificate.

It does not cover the system or any of its components, including the performance of the panels, inverter and battery (which will be covered by separate manufacturer's warranties).

The workmanship warranty period is 3 years from the date of issuing the Installation certificate.

Where the workmanship warranty applies, RECSolar will either (at its discretion and cost):

1. re-do or repair the installation; or
2. replace any workman faulty part with a comparable new or refurbished part so that the installation is no longer defective.

Limitations and Exclusions of the Workmanship Warranty

To the extent permitted by law, claims are excluded from the workmanship warranty where the defect or loss is or has

been caused or contributed by:

1. Improper use of the solar system;
2. Failure to comply with manufacturer instructions;
3. Work on the system (including modifying, moving or relocating any part of the system, even if temporary)
4. Work done on any part of the system by someone other than an authorized RECSolar Technician;
5. Any act, omission, misuse, abuse, or damage (whether willful, accidental or negligent) caused by the customer, or a 3rd party.
6. General wear and tear;
7. A failure to promptly notify RECSolar of any defects. You need to regularly check your system is working properly;
8. **Call-out costs are not covered by this workmanship warranty.**

You must provide all reasonable assistance to RECSolar to help us diagnose and remedy any defects over the phone.

How to claim under this Workmanship Warranty

To claim under this workmanship warranty, please contact RECSolar by one of the following means:

Email: solarcomplaints@recsolar.co.za

Phone: 079 167 5596

You will need to provide:

Your name, address and contact telephone number.

Outline of the nature of the workmanship defect.

Evidence of the workmanship defect.

This workmanship warranty is provided by RECSolar that issued the installation certificate to the client stated on the certificate at the address stated on the certificate.
